DSCSA Compliance as a Service will Streamline your Compliance and Lower Costs

ConsortiEX Creates and Manages a Single Source of Truth for DSCSA Compliance

- Our Operations Team takes on 100% of the manual work required to validate and archive paper DSCSA documents, removing your need to hire additional staff
- We continuosly monitor the availability of EDI with all participating trading partners, not just your wholesaler
- All T3 data is stored in a single-searchable database after validation

Compliance and Convenience

- Easily Isolate Illegitimate or Suspect Product for Quarantine
- One search locates any product or transaction: *Date Ranges, Invoice, Lot Numbers, NDC, PO, Ship-from*
- Provides all of the information needed to respond to an inquiry or audit, within seconds

Simplified, Continuous, T3 Validation

- Automated first-level audit of all NDC codes using our Master NDC database
- Our validation algorithm flags, researches and validates unrecognized NDCs daily
- Ensures recognition of all drugs requiring DSCSA Compliance

Instantly Generate T3 Documents to Support Borrow/Loan Transactions or Product Transfers/Sales

Our Operations Team Sets Us Apart

- All paper T3s are manually reviewed and processed, within 48 hours

- Our team continuously strives to establish EDI feeds with all available vendors, not just wholesalers

- Complimentary Quarterly Training Webinars; we will train your new users

- 24/7 US Based Customer Support

Our Unique Promise

We will pay any fines levied aginst you for DSCSA compliance issues.
